

# Odour Kill

## PRODUCT INFORMATION SHEET

### DESCRIPTION

Unpleasant odours which linger can be a nuisance and at times unbearable. **Ecogreen Odour Kill** is an effective and economical way of eliminating odours which are caused by everyday situations.

Rather than masking the unpleasant odours, **Ecogreen Odour Kill's** unique and innovative formulation contains natural plant extracts which encapsulate each odour causing particle, thereby removing the odour.

With no harsh or hazardous ingredients **Ecogreen Odour Kill** can be used on most hard and soft surfaces - ideal for use in removing stubborn odours caused by organic waste, sewage, dampness, mildew and other sources. With the inclusion of a pleasant dewberry fragrance, will leave your problematic areas smelling fresh in no time.

Safe for use around people, plants and pets, **Ecogreen Odour Kill** is a simple, clever and environmentally friendly cleaner providing a responsible approach to odour control.

# Odour Kill

## TECHNICAL INFORMATION

### DIRECTIONS FOR USE: Shake well before use

Mist product into the air around or directly onto the odour source.

Add 25mL of Odour Kill Concentrate to a 500ml spray bottle and fill with clean water.

### STORAGE

DO NOT mix with detergents and other cleaning products. Store up right, below 30°C and away from direct sunlight.

### SAFETY DIRECTIONS

ECOGREEN Odour Kill is considered non hazardous according to Work Safe Australia and non flammable according to the Australian Dangerous Goods Code. However, inline with safe handling practices, it is recommended that the handling instructions outlined in the Safety Data Sheet and label be followed.

If needed, for advice, contact the Poisons Information Centre (Australia 131 126, NZ 0800 764 766) or contact your local doctor or hospital.

Information provided in this Technical Data Sheet is correct at the time of printing, however please make sure you read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use and both the label and MSDS contain precautionary statements and first aid procedures. All MSDS are available online at [www.ecogreen.com.au](http://www.ecogreen.com.au) or contacting your local sales representative.

### PRODUCT CHARACTERISTICS

<b>Appearance</b>	Light Brown Liquid
<b>Scent</b>	Dewberry
<b>pH</b>	5-8
<b>Melting Point (°C)</b>	-
<b>Boiling Point (°C)</b>	100
<b>Specific Gravity (20°C)</b>	1.06 ± 0.02
<b>Solubility</b>	Completely Soluble in Water
<b>Flash Point (°C)</b>	Non Flammable
