

6.6 L BOWL-LIFT STAND MIXER 5KSM70SHX

#1 MIXER BRAND
IN THE WORLD™

KitchenAid 7Qt Bowl-Lift Stand Mixer for maximum stability and powerful mixing

- **Redesigned From The Inside Out** - Take kneading and shredding to the next level with 1.5x* more power in the bowl than before. The Bowl-Lift design provides a 3-point locking bowl for stability (*compared to model 5KPM5)
- **11 distinct speeds including a new fold speed** - With 11 speeds, designed for gentle mixing, 1/2 speed combines delicate ingredients, like blueberries and egg whites, into recipes without overbeating
- **Double Flex Edge Beater** - It is designed with a twist and two flexible edges to scrape the bowl, giving you thorough ingredient incorporation and better results
- **Soft Start** - Gradually accelerates to your selected speed to keep ingredients in the bowl and help prevent splatter
- **Original Planetary Action** - Planetary mixing action spirals the beater through 67 touchpoints in the bowl to thoroughly mix ingredients
