

Griddles – Cast Iron

PSR400 E

The PSR400 E griddle is built around a sturdy steel plate giving a solid cooking platform for cooking burgers sausages bacon fried eggs etc. The smooth stainless steel plate gives direct heat transfer to your food making the cooking process quicker and healthier. The integral wall on the sides and rear of the plate gives a secure area to cook and hold your food. The Incoloy heating elements are designed give even heat across the plate so there are no cold spots and provide fast temperature recovery.
